Price: \$ 3.1M

HIGHLIGHTS

- ✓ In business for 40 years
- ✓ Custom automation solutions
- ✓ Outstanding Service
- ✓ Talented team of employees

BUSINESS SUMMARY

Custom engineering, design and manufacturing firm specializing in the automation of machinery, equipment, and systems for a variety of applications in a multitude of industries. Located in the upper Midwest, this firm is an industry leader with 40 years of custom automation machinery experience.

COMPETITION

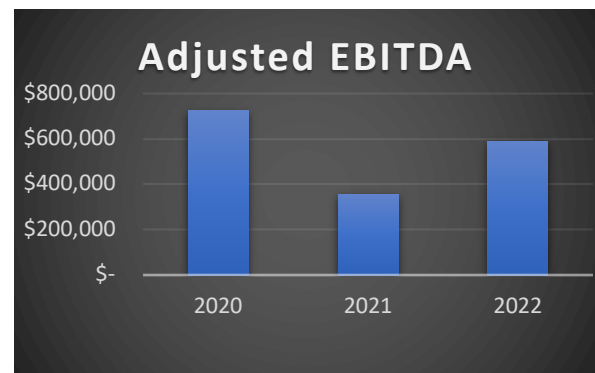

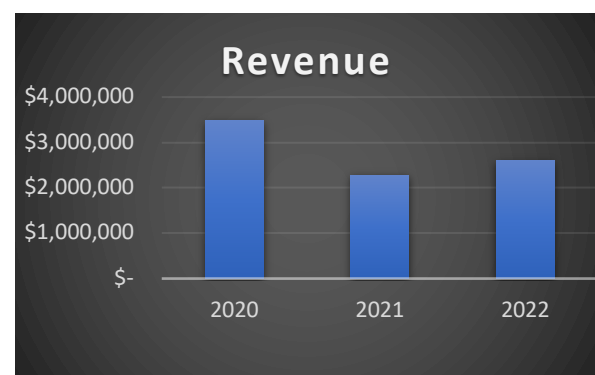

This manufacturing firm stands out from the competition by offering the highest quality service and products at a reasonable price, providing complete custom solutions, and having a dedicated, knowledgeable staff on hand.

FINANCIAL SUMMARY

Profitable business with strong financials.

2022 Revenue: \$2,612,801

2022 Adjusted EBITDA: \$592,595

GROWTH OPPORTUNITIES

Hiring an additional assembly technician and electrical engineer would allow this business to grow. They currently do not advertise or have a sales team and only rely on reputation and referrals.
